

## **Abu Dhabi University's Spring Career Fair**

Charterhouse is delighted to once again attend the Abu Dhabi University Spring Career Fair at the Abu Dhabi Campus located on Al Ain Road in Khalifa City "B" on 11 and 12 March 2014 from 10am to 6pm.

The career fair is a convenient way to communicate between job seekers and potential employers or recruitment agencies as everyone continues to search for the best talent available. The 2 day event offers a platform for graduates and Emiratis to network with organisations to learn about opportunities and internships.

Jennifer Campori, Managing Director said 'I am pleased to announce our support of the fair taking place under the patronage of H.E. Sheikh Nahyan Bin Mubarak Al Nahyan. Charterhouse enjoys participating in the event; it is an excellent opportunity to meet with new graduates and Emiratis to discuss potential opportunities and answer any questions which they may have.'

Charterhouse has been established in the UAE for 10 years; covering a variety of sectors across a range of industries including Banking, Finance, Legal, HR, Professional Support, IT, Hospitality, Sales and Marketing, Oil and Gas.

With repeat business from both clients and candidates we are the first choice with many well established organisations in the UAE. We understand the dynamics attached to talent acquisition, relationship management and the required service levels within the region.

We pride ourselves on working closely with organisations to drive their Emiratisation programs and welcome not only working with candidates but clients on their development programs.

The career fair will once again boost the Emiratisation efforts of the Emirate by presenting opportunities for UAE Nationals. Charterhouse fully support the Emiratisation project and further details can be found on our website [www.charterhouseme.ae](http://www.charterhouseme.ae)
